

Unity/Religious Science – Introducing Michael

The Reverend MICHAEL DOWD is one of the more inspiring speakers in America today. A long-time student of Practical Christianity and Science of Mind and Heart, he has been called “**America’s evolutionary evangelist.**”

Michael’s book, ***Thank God for Evolution***, has been **endorsed by 6 Nobel Prize-winning scientists** and by religious leaders across the spectrum. His hopeful, bridge-building ministry has been featured in *The New York Times*, *LA Times*, *Washington Post*, and *Discover Magazine*, and he has appeared on television nationally on CNN, ABC News, and FOX News.

Since April 2002, Michael and his wife (popular science writer Connie Barlow) have lived entirely on the road, providing Sunday services and workshops at more than 700 churches and other organizations across North America.

Rev. Dowd will present a richly illustrated talk on his book here on _____[date and time], which is very similar to one he delivered recently at the United Nations.

Michael and Connie support their itinerant educational ministry mostly by selling their books and professionally produced DVDs of their best and most popular programs. Please visit Michael’s **product table** _____[where].
